The screenshot shows the Parent Connect login interface. At the top, there is a header with the Delta School District logo and the text "Parent Connect" and "Powered by CIMS". Below the header, there are tabs for "PopUps", "District", and "Help". A notice bar at the top states: "PC-0000 ** NOTICE ** Parent Connect is unavailable each night between 12:30-3:30 AM for system backups". The main login area includes a "User Name and Password are case sensitive" warning, a "Best viewed 1024 x 768" note, and a welcome message: "Welcome to Parent Connect, the tool that helps parents communicate with teachers and schools." The login fields are labeled "PEN#", "Password", and "Postal Code". There is a "Forgot My Password/PEN#" link next to the password field and a "How to Sign On to Parent Connect - OnLine Video" link below the postal code field. A blue "Sign In" button is at the bottom left. A footer note says "Browser must allow popups - click here to find out how to allow popups". The version number "Version 19.00 February 3, 2014" is at the bottom left.
